7th September 2018

Welcome to the start of another school year. I hope you have all enjoyed the summer break and that you and your child/ren are ready for this busy time. As ever, the term will be packed with exciting activities and learning experiences. I am excited to be taking responsibility of three amazing schools and with your continued support the schools will continue to thrive. We all want the children to have the best opportunities and working together with families helps us to do this. Please remember that staff and I are available to discuss any issues or concerns you may have. I look forward to getting to know you all over the next few weeks. Please introduce yourself if you have not already done so.

New Starters

We are very pleased to welcome some new additions to our school this year: in KS2 Mr Andrew Wilson has taken up his position as class teacher, where we are sure he will prove to be very successful and popular with both children and parents; whilst in KS1 we have five new starters who have all settled in well and are already making the class lively. In addition, Class 1 have two new fishy friends who the children have chosen to name Sunny and Coral. Last but not least – welcome back to our KS1 teacher, Mrs Hayley Webster.

Parental Consent Form for School Visits and Trips 2018/19

Please find enclosed a Form which **must** be completed for every child so that we have up to date medical and contact details for when they are out of the school on trips this school year. It is important that you notify us of any changes to these details throughout the year. **Please complete and return the Forms early next week.**

Please find attached a list of our term and holiday dates, including Staff Training dates.
