Dear Families and Friends,

Use of School Drive

Once again, please can we remind parents and family members to avoid using the school drive when pedestrians, especially children, are also using this. We do not allow vehicles to use this drive during drop-off and collection times. This also includes at after school clubs. Unfortunately, due to the layout of the drive and the surrounding moorland, we are unable to install a footpath. We, therefore, must prioritise the safety of pupils and families that are walking over the convenience of drivers. Please ensure that you share this information in the event of a different family member collecting/dropping off. Thank you for your understanding.

RSPB Big Schools Birdwatch 2026

We were excited to take part in the RSPB Birdwatch during Moors School this week. It provided us with a great opportunity to observe and record the birds visiting our school grounds. Armed with binoculars and tally charts, the children worked carefully to identify different species and count numbers, developing their observation skills and learning more about local wildlife. It was a fun and engaging activity that supported learning about nature, conservation, and the importance of caring for our local environment. This links to two of our school oaths: 'Have regular outdoor learning experiences' and 'Improve their local environment or community'.

Adventurers Playleader Training- Wednesday 28th January

Our Adventurers class will be taking part in Playleader training with Caron Twamley where they will learn how to lead games and encourage teamwork. The training will focus on building confidence, communication skills, and responsibility through fun, practical activities.

Please ensure children wear their full P.E kit on this day. We're looking forward to seeing them put their new skills into action!

Y3/4 Multi-Skills- Friday 30th January

Our Year 3 and Year 4 children will be taking part in an exciting multi-skills session at Whitby School. This event will give pupils the chance to develop a range of physical skills through fun, active challenges and teamwork.

Please ensure that children come to school wearing their full P.E kit on this day. The session will take place during the school day. Pupils will return to school in time of the usual end of the school day at 3.30pm. We're certain the children will have a great time and enjoy this sporting opportunity.

Reading Rewards- You Have To Be In It To Win It!

We continue to encourage regular home reading, as it plays such an important role in developing confidence and fluency. It also underpins one of our oaths: 'Develop a love of reading'. To celebrate our readers, we are continuing to run a Reading Rewards scheme across school.

- Every 2 home reads earn you 1 stamp.
- Every 5 stamps earn you a certificate.
- Each certificate your child receives gives them one entry into the book token prize draw at the end of the Spring Term.

Congratulations to **Finn**, our Autumn Term **£10 book token** winner- well done!

Remember, you have to be in it to win it, so please keep supporting regular reading at home. Happy reading!

Glaisdale Wraparound Care

We are pleased to share that we are hoping to introduce new wraparound care at Glaisdale, running Monday to Friday from 3.30pm to 5pm. This would provide families with additional after-school provision. Please note that this service is subject to the successful recruitment of a member of staff who would lead the wraparound care. We would be grateful if you could share the job advert with anyone who may be interested. If you are interested in the role yourself or would like more information, please let us know- we'd love to hear from you!
