<p>Specialist coaches/teachers to deliver sessions alongside staff.</p> <p>Village hall hire on a weekly basis to enable better provision (limited space in school).</p>	<p>Children have access to specialist teaching.</p> <p>Staff are upskilled through working alongside/observing sessions.</p>	<p>Sports coach and after-school club: £3120</p> <p>Dance teacher (from Spring term): £1800</p> <p>Hall hire £800</p>	<p>Through observing and supporting in specialist sessions, school staff develop their own knowledge and skills and are able to provide lessons in these areas in future, if the specialist provision was to cease.</p>	<p>All pupils had high quality dance lessons, delivered by a specialist teacher and were able to participate in a performance, which was shared with parents virtually. Pupils also achieved success in a virtual dance competition, as a direct result of the specialist provision. [Dance lessons will continue during 21/22].</p> <p>The village hall was not available for use due to the pandemic but will be accessed next year if required.</p>
<p>PE/Sports subject leader to monitor and encourage pupil attendance at competitive events.</p>	<p>All children, including those in key groups (PP, SEND) have the opportunity to participate in inter- or intra-school competitions, including digital competitions, where appropriate.</p>	<p>Membership of School Sports Partnership. £1500</p> <p>Transport costs £2500</p> <p>Staff release to support attendance £2000</p>	<p>Children’s engagement and success in sporting events increases motivation, leading to repeat involvement.</p> <p>Monitoring by subject leader highlights any pupil groups which are underrepresented and action is taken to address this.</p>	<p>Pupils entered and achieved great success in a wide range of sporting competitions and events, including Ultimate Warrior, orienteering (including a SEN event), county cycling, and much more.</p> <p>Subject leader has undertaken a range of training and has improved provision as a result,</p>

				<p>including development of new activities such as archery.</p> <p>All pupils participated in end of year sports day, showcasing archery, shot put and javelin skills as well as more traditional events. The event followed COVID-safe measures and received positive feedback from parents and pupils.</p>
<p>New staff to be trained in delivering forest school provision.</p> <p>Improvements to school site to be completed to enable forest school sessions to take place in the garden area, as well as in the local forest area.</p>	<p>Children's resilience and confidence are developed. Children regularly access their local outdoor environment and progress within the '50 skills' framework.</p>	<p>£3500</p>	<p>Training is local to the school, rather than centralised, ensuring staff can deliver forest school provision to their own class rather than relying on specialist support. The school site allows for forest-school provision, which will be undertaken regularly.</p>	<p>Outdoor education training delivered to teachers and TAs. Increase in staff confidence in delivering high quality sessions.</p> <p>Moors school provision developed, in place of forest school, following further exploration of the local area and liaison with the NYMNPA. Resources purchased to support this, with plans for further training and resources in 2021/22.</p>
<p>Provide further outdoor adventurous education opportunities (eg East Barnby, Scaling Dam, beach schools/surfing, cycling hub)</p>	<p>Children have the opportunity to explore and learn within the local environment. Children develop resilience and life skills, including water safety.</p>	<p>Costs of visits/instructors plus any transport costs, less parental donation (as appropriate). £2000</p>	<p>If the funding ended, we would need to find alternative funding streams and/or increase parental contributions to enable these activities to continue.</p>	<p>All pupils were able to participate in canoeing experience, developing resilience and life skills, including water safety.</p> <p>Children in KS2 took part in Bikeability training, developing</p>

	Children are able to build on existing skills and interests (eg cycling).			<p>their stamina and confidence, as well as road safety in the local area.</p> <p>All pupils took part in Pro-Cycle training, including use of obstacles and performing basic tricks. As a result, 5 pupils represented the school at a county-level cycling competition, achieving medal success.</p> <p>Y6 pupils were able to participate in surfing lessons, developing resilience and water safety.</p>

### Swimming

Swimming lessons were restricted in both 2019/20 and 2020/21 due to the pandemic. However, we were able to organise lessons during the summer term of 2020/21, at an alternative leisure facility.

% of Y6 pupils [5] who can
