

Now taking bookings for September 2021 for Music lessons with Mrs Lillie

Music lessons are a great way for children to clear their minds, reduce stress and anxiety.

Learning an instrument teaches children to concentrate, build patience and focus.

In school, instrumental lessons.

Piano, guitar, drums, voice, flute, harp, accordion, recorder, clarinet, saxophone, ukulele, penny whistle.

By learning an instrument self esteem and confidence are boosted.

Research proves music tuition helps develop speech, cognitive skills and social ability making children stronger academically.

Information about Lessons Available in Schools – 2021 to 2022

Tuition in piano, guitar, drums, ukulele, voice, flute, clarinet, harp, accordion, recorder, saxophone, and penny whistle.

Lessons take place in school during the school day.

A minimum of 28 lessons is offered each academic year - though in practice the total could reach 32.

Lesson length will be between 15 and 20 minutes for one to one lessons or a longer lesson time of up to 30 minutes for joint lessons.

Every effort is made to fit in with school timetabling requirements and to ensure that there is minimum disruption to lessons in school.

Tuition is on a rotating timetable so that students do not miss the same lesson each week.

Progress reports are issued at the end of each Term.

It is vital for good progress to be made that pupils practice between lessons. Parents are asked to encourage playing of the instrument and this can be recorded in the practice notebook.

The cost of a lesson is £7.50 per week. This is paid online through MCAS in advance. Payment is to be made in full by the end of each half term.

If a pupil is absent through illness etc, payment still must be made. The only exception is if school is closed for any reason on the day lessons take place.

Instruments – it may be possible to borrow an instrument, but in most cases it will be necessary to buy/hire one, for information I would recommend contacting Greensleeves Music on 01609 780253
