Message from Mrs Hird

It has been lovely to see so many children back in school this week, eager to learn and catch up with their friends. I hope you have all had a good start to the year. As always, if there is anything we can help you with, either directly or through signposting you to another service, please do let us know.

Please could I ask you all to read the separate letter you will be receiving today detailing the latest information regarding COVID testing and isolation periods. If you have any queries, please just get in touch. Thank you for your continued support with this.

Have a lovely weekend.

Mrs Hird
