

## **English**

During this term, children will be studying 'The Last Wild' by Piers Torday. The children will be immersed in a range of different text types this term, including 'Beowulf' by Michael Morpurgo, where the children will use this as a stimulus to write a piece of fiction and converting the text into their own playscript. They will also be writing their own narrative poetry and creating an information booklet.

## **Maths**

In maths, the year 3 and 4 children will be covering place value, addition and subtraction and multiplication and division. The year 5 and 6 children will be covering place value, multiplication and division, addition and subtraction and fractions.

**Religious Education-** The questions we will be focusing on this term are, 'Why are festivals important to religious communities?' and 'Why do some people think that life is like a journey and what significant experiences mark this?' Considering the traditions and identities of different faiths will also fulfil one of our central oaths at Glaisdale- preparing the children for life in multi-cultural Britain.

## **PE**

During this term, the children will be developing their dance skills with Hannah Verity. Children will also have the opportunity to represent the school in a wide range of extra-curricular events.

## **Geography**

The year 3 and 4 children will be learning about 'Our Place on Earth' labelling the major European countries and making comparisons between temperate countries and the artic. The year 5 and 6 will be learning about global trade and why fairtrade products cost more.

## **Science**

The year 3 and 4 children will be learning about Light and States of Matter this term. The year 5 and 6 children will be learning about Light and Properties and Changes of Material. They will be also be developing their working scientifically skills by planning and carrying out different investigations.

# Adventurer Class Autumn 2022

Glaisdale Primary School

## **PSHE**

PSHE is integral to our values and ethos as a school. We ensure that within assemblies, lessons and through our nurture approach that the PSHE curriculum is covered and that the mental health and well-being of our children is  
This term, the children will be learning about healthy lifestyles and keeping safe.

## **Design and Technology**

In DT, the children will be creating yule logs by researching and evaluating existing products to use as a basis for their own design.

## **Art**

In Art, children will use the work of Van Gogh as stimulus for their own work. Children will evaluate and critique his work before creating their own art pieces. They will colour for a purpose thinking about mood, expression and purpose.

## **French**

The year 3 and 4 children will be learning about La météo (the weather forecast) and the year 5 and 6 children will be learning about Vive le temps libre! (what they do in their spare time).

**Times tables-** Children should continue to practise their times tables at home on TTRS and Hit the Button.

## **History**

Children will be learning about what happened to Britain after the Roman withdrawal. They will find out who the Anglo-Saxons were and be exploring the enquiry questions, 'How was Saxon England different to Roman Britain?' and 'Why was Whitby Abbey significant in this period?'

## **Computing**

Children will be consolidating their learning about how to stay safe online, they will be learning more about how to code and using 'Everyone can Create Music' to create their own podcasts and compositions.

**Spellings-** Spellings will be given out on a Thursday and children will be tested on a Thursday (these will be weekly test).

**Reading-** Please continue to read with your child at home and read 5 times a week so they can be entered into the draw on a Thursday.
